CAPTAIN'S CORNER

Tony Holley (41pts) shot 64 only to be outdone for the Temp course 'Best Score' by Matt Saad with 63. Paul Thomson had his best round (41pts) for some time including hole in one on 15. Tony Cunniffe (41pts) continued his good form and Peter Frith had 40pts.. or was it 41????

Another to shoot his age, Peter Dawson...so he broke 80!!!

Last Saturday Ken and I caught up with an old golfing friend Phil Wilson. Phil was Club Champion in 1972 & 78, represented in Pennants until his job sent him globetrotting. He now lives in Savannah Georgia on an estate with 6 golf courses and after many years is getting back into golf. A convincing win to the Masters team, and we need another this Sunday at home.

Times at other Courses.

Ben will publish tee times (on the notice board and members portal) each Friday for the week beginning 10 days later (Monday Week).

When is your Score 'Final'?

Cards must be completed with the "cross out" Section as well as the numerical section in accordance with the Rules of Golf, and scanned in the Clubhouse on the LRGC computerised scorecard system.

This should be done within 15 minutes of the completion of their round.

The Score card is considered 'Returned' when the Player selects 'Save Score' on the computerised scoring system.

RULES WITH GEORGE

QUESTION: In a Stableford event Charles was making use of one of the several Dropping Zone Posts on the course. He carefully marked the area of the dropping zone with a few tees and dropped his ball correctly from knee height, standing just inside the area of the Dropping Zone. The ball hit the ground within the area he had marked but rolled about 5 cm outside the Dropping Zone. He played his stroke at the ball. Which of the following applies?

- (a) No penalty because of the short distance that the ball rolled.
- (b) Charles incurred a penalty of one stroke.
- (c) Charles incurred a penalty of two strokes.

FROM THE WOMEN

Congratulations to the team of Gilda Severino, Karen Smith, Rachael Loomes, Cath Piper and Jen Jansson who successfully hosted the final day for the Silver Pennants last Friday. In a new competition for us we finished in 5th place with Ryde Parramatta winning the flag. We did give a lot away each week in terms of handicap but the team should be very proud of their efforts representing the club.

Focus now turns to the Bronze 3 team which is under the guidance of Karen Smith and the Bronze 1 team led by Rosemary West. Importantly for the Bronze 1 group would you check the locker room for the **altered draw** which was changed after our programme book was published.

The Board is reviewing the two tee start for the women and we expect to be able to report next week. Our Stroke round on June 6 will be played from 2 tees.

The Women's President's Trophy was not the only presentation last week. Congratulations to Veronica Bertram who won our Grandmother's Trophy and Jeanette Nell who won our Great Grandmother's Trophy. Well done to both of you.

Upcoming events include

Thursday June 6
GNSW and Club medal played in divisions.

Thursday June 13
Dot Leonard Rose Bowl for members with 25years of playing membership. Includes 9 hole players.

Tuesday June 18
Qualifying for the 4Ball Knockout.
This event is best played with a higher and lower marker so start looking for your partner. I am still looking for volunteers to assist the rookies on a Tuesday morning from 10am. If you could manage a morning it would be most appreciated.

40 hardy souls braved the windy conditions on Thursday for the Par round.

CLUB POLICIES, PROCEDURES AND ACCESS

Since the commencement of our new Constitution, the Board of the Club has approved and published a number of new policies and procedures in an effort to better manage important aspects of our operations. These policy developments are as per Board governance objectives set down in the Board Charter and Strategic Plan. The areas covered include:

Strategic Plan
Board Charter
Risk Management
Disciplinary Procedure
Discrimination and Harassment
Fraud
Procurement
Life Membership
Closed Circuit TV
Members' Two for One Voucher
Tips Gifts and Inducement

The new policies and procedures have been authorised through the LRGCC By-Laws and copies of them are accessible through the "Club Documents" section on the Club's website. Further, a list summarising these documents appears on the Club Notice Board, and Members may, if hard copy is needed, obtain same through reception.

I would like to thank Neil Hitchcock for his invaluable contribution in the formalising of these documents.

MASTERS PENNANTS V ROSEVILLE 26TH MAY

It was another glorious autumnal day for our home match against Roseville on Sunday. Needing a strong start we did exactly that as Dougie went in the creek and JB, Tony Holley and Jimmy Knox all blasted their opening drives out of bounds. Local course knowledge eh!

No matter, as the depth of our squad showed as Sean, Duffy and Doug all had convincing wins, comfortable at home with the westerly coming up. And congratulations to Andrew Daddo for his first win, 4/3, in the Long Reef colours.

J.B was untrammelled by his start, winning the first with a 7 and going on to a 7/5 drubbing of his opponent. Tony Holley, after 2 under on Saturday, was all over the park, including the fencing on 7 .He couldn't claw back an early deficit and went down.

I had a day out with the putter, 12 putts in the first 9 holes to go 7 up, my opponent made two great birdies but it wasn't enough and we shook hands on 15.

Knoxy at no.1 was 3 down early but hung in, sinking a great putt on 10 and making two great pars on 16 and 17 to go to 18 one up. Needing a par for a half to win his match he flubbed his chip, and with everyone looking on rammed in a 25 footer. The Roseville guys shook their heads "Best putter in the club "we said.

So a great win 13-2 but we'll still need to beat Bayview well on June 16.

Thanks to Les for all his help, and to Ross, Mick and Ken for their support. The course was in superb condition thanks to Pete and his team.

RULES WITH GEORGE

ANSWER: (c) is correct. Rule 14.3b (3) applies. Whenever a ball is dropped in a relief area the ball must remain in and be played from the relief area for the ball to be correctly in play. This was not the case for Charles and because he has played from a wrong place, the penalty is The General Penalty....2 strokes in Stableford, or Par events as well as Stroke events. Charles should have lifted and re-dropped the ball, before he played a stroke at it, to avoid the penalty. **Rule 14.5 applies**

Wetlands Project – 30th May Update

The first load

The excavation started on Monday and with the fine weather is moving well. There will be over 1,000 trips by the 30 ton trucks over the next few weeks. The mounding will be roughly shaped with the final shaping overseen by Warren Duncan (Thomson Perrett) before turfing.

NOTE travel from 15th green to 16th tee

Most of the 16th fairway will be under construction so the path FOR ALL PLAYERS AND CARTS to the 16th green will be the concrete path on the current 16th tee then a line to the roped off area adjacent to the OOB. Note the 'bunting fence' must be kept to your left.

Please make yourself aware of the updated Local Rules. Particularly the one re not entering the 'fenced off' area for any reason. Note for a long term Member... there is NO penalty for taking relief from this area!!!
