

Long Reef Golf Club
CORPORATE GOLF

Corporate Golf at Long Reef Golf Club combines business and pleasure, enabling you to develop business or community relationships, or to play an important part in the ongoing development of your executive team and staff.

Located just 20 km from the Sydney CBD on the beautiful Northern Beaches, Long Reef Golf Club enjoys a commanding beachfront position and boasts unsurpassed views all the way to the Central Coast to the north and Manly to the south.

Long Reef Golf Club is home to a links style golf course with practice range, putting green and fully equipped Pro-Shop. Our club offers great opportunities for all golfing levels and has the flexibility to create golf packages from 20 -140 players. You can also choose to take advantage of our putting greens or practice range to practice your skills. We also have a resident Golf Pro to help fine-tune your swing or master your putt.

Our Golf Events and Catering Team will ensure that the day is enjoyed by all whether you choose to have a casual BBQ lunch or a formal event.

The Long Reef Club House has a fully licenced bar as well as three function rooms that can cater to any of your events.

“Located on a spectacular, sloping headland with water views on three sides, the course sweeps up and down hill with wind dictating what you will shoot on the day. This is a solid test in a great location on well-manicured playing surfaces.”
