

LONG REEF GOLF CLUB LTD

ABN 37 000 043 121

TRANSFER FORM AND INFORMATION

Transfer forms will not be accepted without payment details unless payment has already been taken.

All transfers between membership categories, including pre-approved transfers, will take effect on 1st April 2020. Anyone due for change of category to a special membership will have been done automatically. If you wish to transfer, you will be required to complete and return a transfer form **together with payment details by Friday 13th March 2020. Payment will be processed once the form has been approved.**

Please note: The House Membership category is a social category with no entitlement to golf. If you are a playing member and wish to transfer out for a **minimum** of 12 months, it is recommended that you transfer to the **Retention**. This will enable you to return to a playing category at a later time without being charged an entrance fee.

Any student member will need to provide written proof that they are in full time studies. Any country member must be age (21) and must supply a phone or electricity bill with an address that is 100km from the Sydney GPO and must reside at that address for a period of not less than 9 calendar months in each calendar year.

Please return this form to the office or by email membership@lrgc.com.au
