## **UPDATE: COURSE CLOSED**

The Board wishes to advise that on advice from Golf Australia and Golf NSW that Long Reef Golf Club will be closing at midnight tonight.

Members are asked not to visit the course and practice during this closure.

We hope that this will not be for an extended period and will keep you updated by the website and emails.

Peter and the course staff will continue to maintain the course in preparation for re-opening.

With this in mind the special COVID-19 measures concerning subscriptions will come into force after 14 days of closure. The Board decided that if the course is shut for a period longer than 14 days due to COVID-19 then the subscription year will be extended for the period of closure. For example: the course has now closed and if it re-opens on the 1st August the subscription year will then commence on that date and finish on 31st July 2021. From that point and all years following, that will be the subscription year.

The White Rock Café will now close effective immediately until further notice.

Administration will be open Tuesday 31st March, Wednesday 1st April & Thursday 2nd April between 9am – 4pm. The Club will then be closed till further notice. After that time reception can still be contacted on 99718113 for any enquiries.

Members who have Clubs in the storage facility are asked to remove them ASAP. If the Pro shop is unattended then please attend reception.

Thank you for your continued understanding and cooperation in these difficult times.

Stay safe and stay well

President
