### 6. TABLES AND CHAIRS

Once funds become available, we will be replacing the current tables and chairs in the Clubhouse. We are currently pricing this project with indications that it will cost between \$80,000- \$100,000.

### 7. AUSTRALIAN SPORTS FOUNDATION (ASF)

There are currently two projects for which Members will be able to donate. The first project is reconstruction of the nets near the 9th tee and the redesign of the surrounding area. We are hoping to commence work within the next two months. The second project is the replacement of the tables and chairs in the Clubhouse. All donations are tax deductible. To make a donation please log on to our Australian Sports Foundation web site <https://asf.org.au/projects/long-reef-golf-club/> and follow the instructions.

## **8. COURSE**

## **9. PARKING**

Council has confirmed that the public notification to change the parking conditions in Anzac Avenue is being issued. This stage of community consultation will take 4 weeks. If there are no objections the parking conditions, not to allow boats and trailers will take effect shortly thereafter.

We can expect the current COVID situation to continue to impact the Golf Club and how we operate. Our priority is always the health and safety of our Members, staff, guests and the wider community. Please assist by maintaining social distancing and observing the Club's COVID Safety Plan.

Stay safe.
