6. AUSTRALIAN SPORTS FOUNDATION

The Board has identified two projects to improve the course and Clubhouse over the next few years. The first is a bunker renovation program. Most bunkers on the course at the moment host a number of maintenance issues following rain events. This has been highlighted during the heavy rains we have experienced in the last 2 weeks. This will be a long term project which will address these issues. The second is the replacement of the Bi Fold doors which will allow better access to the outside areas of the Club, whilst addressing ongoing maintenance concerns.

To make a donation please log on to our Australian Sports Foundation web site <https://asf.org.au/projects/long-reef-golf-club/> and follow the instructions.

Thank you for your kind support.

7. SUBSCRIPTIONS

Membership invoices will be sent to Members in the next couple of weeks for the subscription year 2021/22 along with the payment options available.

Stay safe and stay well
