Dunedoo Golf Club

On the 29th April the town of Dunedoo and the Members of the golf club were left devastated after a vandal destroyed the golf course. He tore up most of the course with a tractor.

Please refer to above photos & link below for reference of the devastating damage.

As you are all aware, we were the victim of major vandalism back in July 2019 when 10 of our greens were splashed with a chemical.

The support and offers of assistance we received from other golf clubs were overwhelming.

Ben has contacted the General Manager from Dunedoo who advised that they have received support from various turf and irrigation companies, with volunteers and local farmers assisting to repair the damage.

However, they will require substantial financial support.

Long Reef Golf Club will donate \$1,000 on behalf of the Members.

If Members wish to donate they can do so through https://au.gofundme.com/f/dunedoo-golf-sports-club-rebuild?utm_campaign=p_cp_url&utm_medium=os&utm_source=customer

Any donation, would, no matter how small, help.
