GOLF MEMBERSHIP

Since our Club's humble origins in 1921, we have grown exponentially. In the space of over 100 years, we have earned a reputation for being one of Sydney's best golfing layouts. With 18 holes of varying difficulties, a tremendous par 71 layout, spectacular panoramic ocean views, and excellent greens, it is a golfer's dream.

Our Membership categories offer access to our stunning course for both competition and social play plus practice facilities.

We offer a Members competition every day of the week, eligibility is based on the Membership category you choose to join. All our competitions are mixed with the exception of Wednesday, being our Men's Competition and Thursday, our Women's Competition. Our timesheets for competition & social golf are accessible through the Members portal and open five (5) days in advance.

Our subscription year runs 1st June to 31st May. Subscriptions may be prorated, if applicable, from when your application is accepted to the 31st May the following year. We offer a monthly instalment payment plan option for selected categories, as well as upfront payment.

Although our course may prove to be challenging, it is always made enjoyable by our one-of-a-kind location; positioned across Long Reef headland in the stunning suburb of Collaroy on Sydney's Northern Beaches. While every round of golf is unique and doesn't always go to plan, our course views offer our Members the opportunity to take in the stunning Northern Beaches coastline whilst playing their round, regardless of your score!

We are proud of our Club and dedicated to doing our best for and on behalf of our Members.
