A4. PACE OF PLAY

RULES OF GOLF 5.6

PACE OF PLAY – GUIDELINES

PLAYERS RESPONSIBILITIES

Long Reef's policy is that the Pace of Play Condition will be strictly applied.

- Your place in the field is directly behind the group in front, not directly in front of the group behind.
- All groups in the competition **must** complete their rounds within 15 minutes of the group in front or risk being issued a warning letter from the Golf Committee.
- The time determined for your group is the time the last person in your group submits their score into the system.
- The Board encourages all members to play “READY GOLF” i.e., you should be READY to play your shot as soon as it is safe to do so, regardless of the honour or whether you are furthest from the hole. It is the responsibility of each group to play within the published maximum times allowed and keep up with the group in front.
- Even if the reason for your group being out of position is as a result of a lost ball, a lengthy search or a ruling, it is still the responsibility of the group:
 - To play to scheduled time
 - To get back into position as soon as possible

WHEN GROUP IS OUT OF POSITION:

- Referee (or Committee) will ask the group to get back into position (unless the group is significantly out of position, in which case the referee or Committee may start timing immediately).
- If group not back into position within two holes or no effect made after one hole, group will be ‘timed’.
- If you keep up with the group in front, your group will not be timed.
- If your group is greater than 1 hole out of position (e.g., The group in front have left the next green, on a Par 4, before you have teed off), then you must call the following group through, if they are directly behind you. The penalty is 2 strokes for each person in the group.

PENALTY RELATED TO SLOW PLAY

Any member who does not comply with these policies may receive an email/ letter stating the breach and date the breach took place along with our detailed POP policy. If there are exceptional circumstances of why this breach took place you are asked to respond back to the email/letter via The Club Captain.
